My dear Ma & Mabelle:–

This is a beautiful Sabbath day so warm & pleasant I intended going to church and dressed in my new Easter suit but I find I have several letters to answer and this is my only spare time for this. P.M. at 2^{30} four of us are going to Chickamauga Park in Ga. a lovely drive on the Government road in a rubbertired trap with

two horses. we expect to
have a delightful time.
and next Sunday
Ife Lance will be here
with me. and a
crowd of us from the
Garner Hotel is going
up on the Mt. I wish
you both could be here.
I have learned to dance
and O. I enjoy it
so much! last Friday
evening I was at the
Hotel and they had
an orchestra I danced
every dance. I am
crazy over dancing.
[illegible]

me a wheel but I have
decided that I don't care
for it and would
rather have a number
of new clothes I need
so I told him. I don't
care so much for a
wheel and my gent
friends are always
ready to sent me so I
don't care for one.
I have been gathering
violets many weeks
ago. & trailing Arbutus,
O, Mamma do you
think I rec'd a letter
from the other day
John Harvie of Merchant

for & Pilgrim Church.
he said Otto sent his
love & wished to be
remembered. I will
have to close for the
dinner bell will
ring soon. now excuse
awful scribbling for
I am half sick & nervous
I am losing all the
time. I lost 2 lbs in
three days. But
I beg of you to
answer at *once*.

Lovingly
Jan F.
